DRAGONPASS

What is **DRAGONPASS**? Visa continues to provide premium cardholders with the best digital opportunities with a new partner - DRAGONPASS. The DRAGONPASS program is a special program with certain privileges for access to business lounges at airports, which operates independently of the airline and the class of the ticket. **How to take advantage of the offer?**

2 options to take advantage of the offer:

Option 1 Visa Airport Companion Application

Download links

Download the app via the App Store or Google Play

- Register your valid Fast Bank Visa Premium card in the app to access the card's benefits for airport lounges
- Find a specific business lounge you want to access and click the “Walk In” button
- Click the “Membership Button” for digital access.

Option 2

Visa Concierge chatbot

How to use it?

- Go to the Visa Concierge chatbot.
- Find the “Lounge” button in the main menu section.
- Check the availability of the service for the attached cards.
- Click the “get a Digital membership card” button to get digital access.

In the “Explore” section of the app, you can search for available lounges by selecting the desired airport or country. The main page also includes a quick link to the list of lounges.

What does the subscription include? You can view the “How it Works” section in the “Membership” section of the app to see what your subscription includes. It is visible on the “Home” screen, under the “Membership” section.

For **unlimited** access, cardholders must make a non-cash payment of at least \$400 within the previous 35 days. Otherwise, once a year.
